Join a nationally recognized faculty to present your research projects or evidence based programs that focus on Native Americans with Alzheimer’s disease/related dementia. **Day 2 of this inaugural conference will have two sessions that feature poster displays.** Showcase your achievements in dementia care to an audience across America. Accepted primary author will receive a discounted fee for participation in this meeting. Up to 10 Native American students presenting research studies will receive up to $1000 in support to attend this conference. Abstracts can be submitted by email or fax. **All abstracts are due no later than June 15, 2015.**

- Abstracts must be submitted in English
- Abstracts must not exceed 600 words
- All information must be included in a single document (including tables)

**Abstracts should include:**

- Statement of the Problem or Purpose of the Study/Program
- Research Methods or Detailed Program Description/Intervention
- Results of the Study/Program
- Conclusions
- Funding Sources

All notifications will be sent out no later than Friday, July 15, 2015. Where possible, we will notify poster submitters of the outcome of their submission as soon as possible. Please note the email address that you supply with your abstract or an address that we can send notification. If you change email addresses during this time, please let us know so we can update the system.

**Please send abstracts to:**
